PUBLIC EMPLOYMENT
RELATIONS COMMISSION

April 16, 2013

Dear PERC administrators:

We, the Shoreline Professional-Technical Association, would like to request recognition as a bargaining unit within the Shoreline School District. The Shoreline Prof-Tech Association would include any classified or certificated employees with a Professional-Technical classification in the school district. The group does not include any other classified employees that otherwise may be included in another bargaining unit and does not include any employees classified as non-rep. This group would like to form for the purpose of collective bargaining and clarification of Shoreline School District policies and agreements among our group. Basic to this proposition is the desire to insure balance and integrity with a responsive management engaged in the service of producing high quality and excellence in the Shoreline School District.

The Shoreline Professional-Technical Association appoints 2 points of contacts that will serve as liaisons between the Prof-Tech Association and the Shoreline School District. These points of contact are Jiovanna Koceski, Student Information System Coordinator, and Brent Degenhardt, Tech Support Manager. The contacts will communicate on behalf of the Prof-Tech Association with the Shoreline School District during collective bargaining. If at any given time, one of these contacts separates from the Shoreline School District or chooses to step down as the liaison, the Prof-Tech Association will elect a new representative to serve as the liaison.

If you have any questions about our request, feel free to contact Jiovanna Koceski at 206-393-4238 or via email at jiovanna.koceski@shorelineschools.org. Thank you for your time.

Respectfully Submitted,

The Shoreline Professional-Technical Association
